Event of the Year for the Tech Community

Hello there,

We're gearing up for NIDC 2024, and our 8th annual conference is just around the corner!

NIDC has come so far since 2017, and we want to express a massive thank you for supporting us on our journey. This year is shaping up to be one of our biggest yet as we unite the tech community of Northern Ireland, and further afoot, once again.

Last year, we brought together over 500 attendees, featuring over 40 talks, activities lead by local meetup communities, and a bustling exhibition hall at the center of the action, where they met you - our sponsors.

NIDC isn't just another tech event - it has grown to become *the* cornerstone of the Northern Ireland tech calendar, gathering passionate developers, designers, security experts, testers, product managers, gamers, hardware enthusiasts, leaders, and data professionals all under one roof.

Our conference fosters an inclusive space where people from all backgrounds can learn, share, and grow. It's a reflection of the tech community, welcoming everyone from students, career changers, seasoned professionals, and young innovators with a cool school project to share.

Did we mention NIDC is organized entirely by volunteers? We're a conference by the community, for the community.

But here's the thing - we can't do this alone. We rely on the financial support of sponsors like you to make the conference a reality.

By sponsoring NIDC you get the opportunity to place your brand at the forefront of a diverse, engaged audience, all while contributing to the growth of the tech community.

Our sponsor packages are tailored to give you the best possible exposure, whether you're a global or local company, startup or sole trader. If you're interested in supporting our mission, take a gander at the next page.

With your support, we can make NIDC 2024 the Event of the Year for the Tech Community. We're looking forward to the possibility of partnering with you this year.

Thank you,
The NIDC Team

Why become a sponsor?

Following NIDC's roaring success last year, we return to the ICC at the Waterfront, Belfast. We anticipate our biggest year yet with over 750 passionate individuals and eager learners coming together to learn, share and grow.

What can you expect?

- A high-quality community conference with 750+ attendees.
- A focus on diversity, and making NIDC as accessible as we can.
- An incredible opportunity to promote your company and raise your brand awareness and engagement.
- Your brand showcased on social media before/after the event and in-person on the day of NIDC.
- A chance for members of your team to speak in front of an attentive audience.
- The opportunity to contribute to and connect with the wider tech community.
- The support of an enthusiastic and experienced group of dedicated volunteers with the goal to ensure NIDC 2024 is a huge success.
